Busting the Myths of NaaS

Andrew Dugan
EVP and Chief Technology Officer
Lumen

LUMEN®

**Myth: NaaS is nothing
more than a pricing
scheme**

Myth: NaaS is nothing more than a pricing scheme

It's a networking paradigm

Service delivery model

Flexibility and scale

Service Variety

**Myth: NaaS and Managed
Network Services are
synonyms**

Myth: NaaS and Managed Network Services are synonyms

Service vs Management

Flexibility and Scalability

Myth: NaaS and Managed Network Services are synonyms

Customizations

Cost structure

**Myth: NaaS only viable for
small business**

Myth: NaaS only viable for small business

Security and compliance

Rapid deployment
