# MEF Q4 Members Meeting

## Automating and Securing the Global Ecosystem

Conduct secured business, expand partnerships, and collaborate

Join us for our **Q4 Members Meeting on 5-6 October** in Dallas!

The Q4 meeting will have a different format than our typical member meetings. We will not be hosting an opening plenary due to our [GNE event](#) earlier in the week. The meeting will focus on committee meetings over two days, 5-6 October to bring the MEF community together to network with industry peers and progress valuable MEF works in the areas of services, APIs and certifications!

### Turn Ideas into Action

- ✓ More ways to **engage with the MEF community** – Networking, social activities
- ✓ Committee tracks to influence and **move forward** the future of MEF works and influence
- ✓ New to MEF? Learn the **ins and outs** of navigating MEF to maximize your membership
