NaaS Accelerators — Live at GNE

Open throughout the conference — Stop by!

Silent Comet AIOps

Aims to revolutionize troubleshooting processes and expedite Root Cause Analysis (RCA) resolution without relying on specialized network expertise.

Hot Mongoose

Transacting Edge Compute Services

Reaching consensus on using open, standardized LSO APIs together with a MEF-endorsed data schema describing the required edge computing service.

LSO Marketplace at LSO.MEF.net

Easy Access to LSO APIs and Resources

WELCOME TO THE LSO MARKETPLACE

A resource to guide you along your LSO API adoption and implementation journey.

Whether you're building the business case for MEF standardized APIs, or you're tasked with their implementation, the marketplace provides the information, tools, resources, and programs you need for the journey.

Access LSO APIs, Payloads, and SDK Releases

LSO APIS >

Looking for a particular LSO API?

[LSO API CATALOG](#)

LSO PAYLOADS >

Know what products and services you plan to automate?

[LSO PAYLOADS](#)

SDK RELEASES >

Looking for packages of entire SDK releases?

[SDK RELEASES](#)
